

MAKING YOUR REMODELING EFFORT EASY

Richie's: 99.99% STRESS FREE, PRE-MODELING RECOMENDATIONS FOR YOU

- ▶ **TELL** contractors and fellow workman the time best suited—for daily commencement of work to begin and end.
 - ▶ **EXPLAIN** a well accessible work area and location for new material storage for duration of job.
 - ▶ **ADVISE LOCATION** for trash and extracted non-usable construction materials.
- Note: PLEASE STATE AHEAD OF TIME** if you want excess debris removed daily.
- ▶ **DIRECT BEST** means of entry and exits into your home and remodeling area. Please be specific. REMEMBER, *THIS IS YOUR HOME NOT MINE.*

ADDITIONAL THOUGHTS FOR THE WELL INFORMED

FOR : Bath, kitchen and entries, etc.

- ▶ **Remove** all personal hygiene products and assorted paraphernalia.
- ▶ **Remove** all important items: silverware, pots and pans, etc.
- ▶ **Cover** those KITCHEN TABLES & VANITIES in use during remodeling.

Note: Remember those medicine cabinets—**SEAL** or **EMPTY**.

- ▶ If you only have one bath during bath-remodeling, **PLEASE** make prior accommodations for you and your family's personal hygiene needs.

I do provide :

- ▶ Tarps (cloth).
- ▶ Plastics (to enclose remodeling area).
- ▶ Removal of all waste materials included in the contract.
